### ROAR JOIN FORCES WITH HAMMERS AND PRESTON FANS FOR BIG GAME

Fans of English Championship sides West Ham United and Preston North End will get the opportunity to watch their team live in one of the most important games in the club's history thanks to one of their most devoted.

Mad Hammers supporter David Lewis was devastated that he would be unable to watch his heroes in their quest for a spot in the lucrative English Premier League, so like last year, he has purchased the broadcasting rights to the game.

The game against Preston at the Millennium Stadium, will be broadcast live at the Pig 'N' Whistle in Eagle Street on Monday night (30<sup>th</sup> May). The fun begins at 9.30pm with the main game to be screened at midnight. Other selected venues across the country and in New Zealand are also screening the game.

Queensland Roar will have a presence on the night with Coach Miron Bleiberg, Captain Chad Gibson and midfielder Warren Moon in attendance. The Roar will be giving away a 2005 Hyundai A-League Suncorp Stadium season pass to one lucky patron, as well as posters, balls, badges, etc.

Tickets are on sale via the internet at <http://www.scgroup.biz/index5.htm> , <http://www.dlagroup.com.au>, <http://www.setanta.com.au> and at the door of the Pig 'N' Whistle on Monday night if any are left.

Tickets may be purchased online via a secured site (PayPal) , priced at \$26 each (includes \$1 booking fee). To check availability on the night phone the Pig 'N' Whistle on (07) 3832 9099.
